

Evansville Area Inventors & Entrepreneurs Club (I & E Club)

We're Having a Holiday Party!

Wednesday, December 9, 6:30 pm

For our December meeting, we will be having an invention activity/contest. We will divide into groups, and each group will have a number of random items to create an invention. In addition to this fun invention activity, the Club will provide food and refreshments. Please bring an item/object that might not be useful by itself, but if you are creative and add a few more "items" you might come up with the next latest, greatest invention. Note that your "item" will go home with you at the end of the meeting.

Please feel free to bring an appetizer or dessert to pass, if you wish.

Come share resources, exchange ideas, and be mentored. The club welcomes not just inventors and entrepreneurs, but also established businesses, new businesses, and investors. Everyone, of all ages is welcome! Keep in mind that invention is more than just creating new gizmos, it is innovation too. It can be creating a new service, process, concept, mind-set, message, or strategy which is better than the existing alternatives. You never know who you might meet and what you might learn!

We Meet on the Second Wednesday of Every Month @ 6:30-8:30 PM

Location: Eager Economy Building
7 East Main Street
Evansville, WI 53536
(brick building, lower level)
